

June 12, 2021

Dear Family Member,

I regret to inform you that our fourth floor will remain on isolation precautions due to another positive COVID test. All the necessary infection control protocols are in place to prevent any spread to residents and staff. We will continue to test all residents and employees while continuously monitoring for symptoms.

Per DOH guidance, as long as there are no further positive cases, I am anticipating that the earliest we can discontinue isolation precautions for fourth floor and allow in-person visits will be June 24, 2021.

I am very sorry to have to share this unfortunate news.

Sincerely,

Fortunato Scerbo III

Administrator
